PinkCare

Nitrile Powder-Free Exam Glove

Our NEW Latex-Free PinkCare Nitrile Exam Gloves will offer you the protection of nitrile with the comfortable feeling of latex.

PinkCare latex-free gloves offer a high valued and dependable solution to those allergic to natural latex protein. These gloves, formulated with 100% synthetic nitrile polymer, are **latex free, powder free and odor free**. The unique thermal sensitive polymer compound absorbs body heat and easily conforms to user's hands; thus, exerts virtually no pressure on the hands and reduces fatigue after extended wear.

- Superior protection
- Advanced stretch formulation provides you with comfort for extended periods
- Excellent tactile sensitivity
- **Comes in 200 count box**, saving environmental spaces by going Green
- Textured surface for better grip
- Medglov will donate 5% of PinkCare Nitrile glove profits towards breast cancer research and awareness programs

Available in a wide range of sizes:

Only \$9.95/BOX of 200!
